

On March 30<sup>th</sup> all were invited to come into the new local Jersey Mike's restaurant located on Margie Drive in Warner Robins and make a donation to Houston County Habitat for Humanity. Jersey Mike's Subs, known for its authentic fresh sliced/fresh grilled subs, asked customers to eat a sub and help their designated charity; HoCo Habitat.

This year, the national sub shop chain joined forces with more than 180 local charities for the company's 6<sup>th</sup> Annual March "Month of Giving" fundraising campaign. Last year's Month of Giving raised more than \$3 million for more than 150 different charities nationwide and this year Jersey Mike's hopes to raise even more.

The month long nationwide campaign culminated its event, Jersey Mike's "Day of Giving" on Wednesday, March 30 when 100 percent of the day's sales - every single dollar - is donated to their designated local charity. **HoCo Habitat is pleased to announce that over \$4,300 has been raised thanks to the restaurant and the community who came out in force to support the event.**

HoCo Habitat wishes to thank the friendly staff of Jersey Mike's for making this event successful and encourages everyone to continue to patronize this fine community partner!

**We couldn't have done it without YOU!**
