Celebrating 28 Years  
Houston County Habitat for Humanity 2019  
Annual Report

## ***Dear Houston County Habitat Supporters,***

On behalf of the families we serve, we celebrate all that God enabled us to do in 2019; a year of major achievements and continued expansion. Our commitment to the Revitalization Area of Wellston Villas continues. Through Habitat, there was the confirmation of God's grace and provisions in our daily lives as we served four local families with new housing along with seventeen families being served with needed repairs.

In April of 2020 we will begin a new chapter in expansion as we kick off our "Home is the Key" campaign. Special events are scheduled for April and November that will bring new awareness and donors into the Habitat fold. We at HoCo Habitat are incredibly grateful for the contributions of our many donors, partners, volunteers and advocates whose continued support has allowed us to build strength, stability and self reliance through shelter. Continue to be in prayer for our efforts. With God all things are possible!
